## McHenry County Historical Society and Museum

# Membership Benefits and Levels

## Membership is a wonderful experience Join us!

The McHenry County Historical Society works to preserve the histories of McHenry County communities. The collections storage is vast and diverse, with many textiles, postcards, and other historical artifacts that require constant care and preservation.

We host educational programs, field trips, and special events throughout the year, bringing communities together by focusing on their unique histories.

All of this is possible thanks to our members, volunteers, and business partners!

## Business and Organizational Partnerships

Your annual support shows that your business or organization is proud to invest in meaningful efforts to preserve the culture and spirit of McHenry County for future generations. Please get in touch with us to discuss this option!

## About Us

Our museum is housed in the 1870 native limestone Union School building in Union, Illinois.

Our research library houses thousands of technical books, pamphlets, photographs, postcards, maps, journals, local history books, newspapers, and many other historical documents.

We have restored and preserved the 1843 Gannon log cabin, 1867 Pringle School, 1886 Seneca Town Hall, 1895 West Harmony School, 1898 Riley Country Church, and a 1950 Tourist cabin.

Without the use of tax dollars, we collect and hold artifacts that represent the history of McHenry County for current and future generations.
